Volume 22

Achillea lanulosa (plumajillo) and *Asclepias asperula* (inmortal): pharmacological aspects of selected herbs employed in hispanic folk medicine in the San Luis Valley of Colorado, USA, 1
Achyrocline satureioides (Lam.) DC., Compositae, pharmacological investigations on, 279
Amanoa aff. *oblongifolia*, peltatin, an antiviral constituent of, 223
Anticandidal activity of plants used for the treatment of vaginitis in Guatemala and clinical trial of a *Solanum nigrescens* preparation, 305
Anticonvulsant activity of root and stem extracts of *Calliandra portoricensis*, 205
Anticonvulsant activity, a review of medicinal plants showing, 11
Antifertility profile of the aqueous extract of *Moringa oleifera* roots, 51
Antimalarial drugs, plants as sources of: activities of *Simarouba amara* fruits, 183
Anti-infectious phytotherapies of the tree-savannah of Senegal (West Africa): antimicrobial activity of 33 species, 25
Anti-inflammatory activity of oleoresin from Brazilian *Copaifera*, 101
Asclepias asperula (inmortal) and *Achillea lanulosa* (plumajillo): pharmacological aspects of selected herbs employed in hispanic folk medicine in the San Luis Valley of Colorado, USA, 1

Bromelain, the enzyme complex of pineapple (*Ananas comosus*) and its clinical application, 191

Calliandra portoricensis leaf extracts, pharmacological studies on the active principles of, 63
Calliandra portoricensis, anticonvulsant activity of root and stem extracts of, 205
Calotropis procera flowers, ethnopharmacology of, 211
Cassia alata leaf extract, effect of, on hyperglycemic rats, 81
Copaifera, Brazilian, anti-inflammatory activity of oleoresin from, 101

Erythroxylum argentinum assays for anti-inflammatory activity, 117
Euphorbiaceae, Amazonian, studies on the pharmacological activity of, 143

Fungi, inhibitory effects of, on aggregation of rabbit platelets and rat polymorphonuclear leucocytes in vitro, 91

Ginseng saponin, proliferative effect of, on neurite extension of primary cultured neurons of the rat cerebral cortex, 173
Glucose levels in blood, effect of *Trigonella foenum graceum* on, in normal and alloxan-diabetic mice, 45

Herbal remedies in the traditional medicine of the Venezia Giula Region (north east Italy), 231
Hispanic folk medicine, pharmacological aspects of selected herbs employed in, in the San Luis Valley of Colorado, USA: *Asclepias asperula* (inmortal) and *Achillea lanulosa* (plumajillo), 1

Inhibitory effects of fungi on aggregation of rabbit platelets and rat polymorphonuclear leucocytes in vitro, 91

Moringa oleifera roots, antifertility profile of the aqueous extract of, 51
Myrtaceae, Paraguyan, ethnobotanical observations on, 73

Oleoresin from Brazilian *Copaifera*, anti-inflammatory activity of, 101

Peltatin, an antiviral constituent of *Amanoa* aff. *oblongifolia*, 223

Pharmacological aspects of selected herbs employed in hispanic folk medicine in the San Luis Valley of Colorado, USA: *Asclepias asperula* (inmortal) and *Achillea lanulosa* (plumajillo), 1
Pineapple (*Ananas comosus*), bromelain, the enzyme complex of, and its clinical application, 191
Portulaca oleracea leaves, effect of an aqueous extract of, in smooth muscle and rat blood pressure, 33

Roccamonfina volcanic group, Campania, southern Italy, traditional phytotherapy in, 293

Senegal (west Africa), anti-infectious phytotherapies of the tree-savannah of: antimicrobial activity of 33 species, 25
Simarouba amara fruits: plants as sources of antimalarial drugs, 183
Solanum nigrescens preparation, anticandidal activity of plants used for the treatment of vaginitis in Guatemala and clinical trial of, 305

Teucrium polium boiled leaf extract, effect of, on intestinal motility and blood pressure, 111
Trigonella foenum graceum, effect of on blood glucose levels in normal and alloxan-diabetic mice, 45

Valerian and related plants, biological activity of, 121
Venezia Giulia Region (north east Italy), herbal remedies in the traditional medicine of, 231

Journal of Ethnopharmacology, 22 (1988) 333
